@QUADLOCKCASE

QUADLOCKCASE.NET

CANCELLING AUTOCONNECT

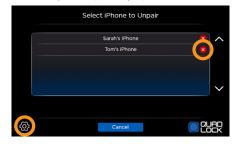

You may need to restart CarPlay Adaptor.

REMOVING AN IPHONE FROM THE PAIR LIST

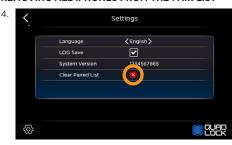

3. Press X to delete individual users or the cog to remove all phones (see step 4)

REMOVING ALL IPHONES FROM THE PAIR LIST

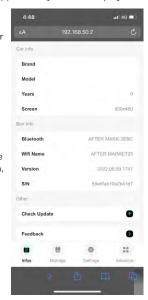

UPDATING FIRMWARE

Connect your iPhone to the CarPlay Adapter and wait until the CarPlay UI appears on your car's display.

- 1. Enter "192.168.50.2" in your web browser on your iPhone and click "Go."
- Select update if available.
- Wait until the update bar reaches 100%.

When CarPlay reappears on vehicle infotainment screen, you're done!

Annex Products Pty Ltd, Australia, declares that the products "Wireless Carplay Adaptor" complies with part 15 of the FCC Rules. Operation is subject to

the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: The "Wireless CarPlay Adaptor" has been tested and found to comply with the limits for a Class C device, pursuant to Part 15 of the FCC Rules and has been assigned FCC ID: 2AYC2-CPC200. These limits are designed to provide reasonable protection against harmful interference. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- · Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.

Consult the dealer or an experienced technician for help.

To maintain compliance with FCC's RF Exposure guidelines, this equipment should be installed and operated with a minimum distance of 20cm between the radiator and your body. Use only supplied antenna.

CAUTION: Any changes or modifications in construction of these devices which are not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Annex products Pty Ltd, Australia, declares that the product "Wireless CarPlay Adaptor", is in compliance with EMC CE-RED Directive (2014/53/EU), CE-LVD Directive (2014/35/EU) and EN 50498. The CE certificate of conformity can be found at: www.quadlock.com.au/compliance

INDUSTRIE CANADA (IC: 28684-CPC200CP2A)

This device complies with Industry Canada's license-exempt RSSs. Operation is subject to the following two conditions:

- · This device may not cause interference; and
- This device must accept any interference, including interference that may cause undesired operation of the device.

This equipment complies with Canada radiation exposure limits set forth for an uncontrolled environment.

During the operation of device a distance of 10 cm surrounding the device and 10 cm above the top surface of the device must be respected.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

- · l'appareil ne doit pas produire de brouillage;
- l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Cet équipement est conforme Canada limites d'exposition aux radiations dans un environnement non contrôlé.

Au cours de l'opération de l'appareil sur une distance de 10 cm autour de l'appareil et de 10 cm au - dessus de la surface supérieure de l'appareil doit être respecté.
